2020 Senior Scholarship Application

The Huntley High School Fine Arts Boosters is an organization made up of parents and teachers who organize and conduct fundraising activities to benefit Huntley High School's fine arts programs. The money collected aides in sponsoring the many fine arts programs and events, in addition to giving scholarships to graduating high school seniors. We are a separate organization from Huntley Community School District 158 and are not governed by their executives.

As in the past we will be awarding scholarships to students active in the fine arts disciplines at Huntley High School. *Scholarships are to be used strictly for college expenses.*

In addition to the application, applicants need to include a resume as well as 2 letters of recommendation; one from a teacher in the fine arts discipline for which they have excelled and one from any other source. **In lieu of a letter, teachers may use the "TEACHER RECOMMENDATION" form included in this application.**

Scholarship money may only be used for college expenses.

The decision of the judges is final. Our judges are volunteers from all over the country who have no direct ties to the applicants of this scholarship or to Huntley Community School District 158.
